

PROVIDING EXPERT EATING DISORDER TREATMENT

.....

“The Renfrew Center in Brentwood truly saved my life. The thorough approach to treating eating disorders alongside co-occurring mental health challenges is both compassionate and effective. The therapists and staff are incredibly kind, empathetic, and deeply knowledgeable. They provide unwavering support while gently encouraging growth, healing, and the development of healthier coping strategies. I am profoundly grateful for the care I received and would wholeheartedly recommend Renfrew to anyone struggling with an eating disorder.”
