

KRCC's **Hollyberry Recovery House** provides a community of support to pregnant and parenting women trying to overcome substance use. Our goals are to help women keep and raise their children, abstain from drugs, and re-establish a normal life.

Even after you leave **Hollyberry**, we offer ongoing support for up to 6 months after the birth of your baby. And we will go on supporting you as you seek to improve your life through finding permanent housing, a job, child care, furthering your education, and more.

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

We're Here For You
